Pre-Irrigation Grower Meeting set for March 2

TURLOCK – Growers, interested business owners and the public at large will have the opportunity to receive updated information about the 2011 Irrigation Season and ask questions when the District hosts its 2011 Pre-Irrigation Season Grower Meeting on Wednesday, March 2.

At the informational meeting, to be held at 7 p.m. inside the TID Board Room located at 333. E. Canal Dr. in Turlock, District staff will be on hand to discuss the status of the Tuolumne River Watershed, the Irrigation Season outlook and the relicensing of the Don Pedro Project, as well as cover local and state water topics.

About the Turlock Irrigation District (TID)

The Turlock Irrigation District, located in Turlock CA, is the first publicly owned Irrigation District and is one of only four today that provides irrigation water and power to residential, commercial, industrial and agricultural customers within its service area. TID has been in the retail electric business since 1923. TID, provides safe, low-cost, reliable energy to a growing customer base that today exceeds 98,000 home, farm, business, industrial and municipal accounts. TID also serves 5,800 irrigation customers covering approximately 150,000 acres of farmland. For more information about TID visit www.tid.com.
