Don Pedro Reservoir in Full Operation for Memorial Day

La Grange, CA - Despite lower than normal water levels, the recreation areas at Don Pedro Reservoir will be fully operational for the upcoming Memorial Day holiday. All boat ramps and marina facilities will be open and operational through the holiday weekend. All three campgrounds including Blue Oaks, Fleming Meadows and Moccasin Point will be open for camping. While all campsites at Fleming Meadows campground are reserved for the Memorial weekend, there are still some campsites available at Moccasin Point and many campsites available at Blue Oaks. To make reservations, please visit the Don Pedro Recreation Agency website at www.donpedrolake.com.

For the remainder of the summer season, the launch ramps at the reservoir are projected to remain in use as follows: Blue Oaks operational until the first of June. Moccasin Point operational until the first of July. Fleming Meadows operational with 5 lanes of launching through mid-July, and then operational after that with two lanes of launching.

Updates to these projections are posted on the Don Pedro Recreation Agency's Facebook page, Don Pedro Lake Camping, Boating and Fishing, and on the website at www.donpedrolake.com.

The staff of Don Pedro Recreation Area would like to invite everyone to come and enjoy the recreation opportunities that the reservoir has to offer including watersports, fishing, camping and hiking.
