<b>TOTAL</b>	<b>100%</b>	<b>100%</b>

\* "Unspecified sources of power" means electricity from transactions that are not traceable to specific generation sources.

\*\* Percentages are estimated annually by the California Energy Commission based on the electricity sold to California consumers during the previous year.

\*\*\* The 2011 TID Power Mix applies to power sold to TID retail customers. TID wholesale sales are not factored in, and are served by a combination of TID System generation and market purchases.

For specific information about this electricity product, contact TID. For general information about the Power Content Label, contact the California Energy Commission at 1-800-555-7794 or [www.energy.ca.gov/consumer](http://www.energy.ca.gov/consumer).
