

PAYMENT AND OTHER INFORMATION

Payment Due Date - Your bill is due when you receive it. Your bill becomes delinquent after the due date if not paid. If you do not pay all charges by the due date, TID may shut off your electric service after giving you proper notice. Allow 3 to 5 business days for your payment to reach our office when mailing or paying at a TID Pay Station. Payments made by phone or on-line from the TID website will be posted to your account the following business day.

Disputed Bill Procedure - To receive answers to questions you have about this bill, please contact the TID Customer Service Division at 333 E. Canal Drive, Turlock, or call 883-8222 or 892-4953 between the hours of 8:00 a.m. and 5:00 p.m. District offices are closed on weekends and holidays. If, after conferring with a Customer Service Representative, you still believe your bill is in error, you may contact the TID Customer Service Department Manager, who will then review your bill. The decision of the Customer Service Department Manager may be appealed within five days to the TID Board of Directors for a final determination. All appeals, except those from customers receiving service on the Domestic Energy (DE) rate schedule, must include a deposit in the amount of the disputed bill.

Late Charge - A late charge of \$3.00 plus 1.5% of the prior balance will be added to this bill if it is not paid on time.

Nonpayment - Your electricity will be turned off if we do not receive payment. To have your electricity turned back on, you must pay your bill plus a re-connection charge. An additional deposit may be required.

Deposit - A deposit or additional deposit may be required if electric service bills are not paid on time.

Electric Service Rules and Rate Schedules - All customers are subject to TID's Electric Service Rules. A complete list of TID's Electric Service Rate Schedules along with detailed information about each schedule is available in the Customer Service Division lobby located at 333 E. Canal Drive, Turlock. The information is also posted online at www.tid.com.
