

Schedule FE
Farm Service - Energy
Effective January 1, 2015

Applicability

This schedule applies to farm service where agricultural end-uses include growing crops, raising livestock, other related farm uses, or pumping water for agricultural and public utility purposes not eligible for Rate Schedule PI. This schedule is not applicable to agricultural processing operations or other uses that change the form of the product. This schedule is applicable on an annual basis only.

Character of Service

Alternating current; frequency of approximately 60 cycles single- or three-phase; delivery will be made at such nominal voltage as customer selects from among those the District designates are available at the customer's premises.

Rates

The rates consist of the following Customer and Energy Charges:

	Per Meter Per Month
Customer Charge	\$ 28.00
Energy Charge, per kWh:	
Winter Billing Months	\$ 0.1057
Summer Billing Months	\$ 0.1231

Minimum Charge

The minimum charge for each monthly billing period or portion thereof shall be the Customer Charge.

Special Conditions

1. Customer accounts billed under this schedule are subject to additional charges as stated in the Conditions and Surcharges.
2. For customers changing schedules between billing dates (except for time-of-use), the schedule in effect at the time of the end of the normal billing period will be used to compute the bill. For billings where a customer is changing from or to a time-of-use schedule, the first bill on the new rate schedule will be based on the meter readings taken on the opening meter reading date and the next regular meter reading date.
3. Any customer who reapplies for service within 12 months of canceling that same service must pay, before the new service will be provided, the total Customer Charges, Demand Charges or Connected Load Charges (as applicable) that would have otherwise been payable between the cancellation date and the new service date.
4. Winter billing months shall be the December through May bills. Summer billing months shall be the June through November bills.
5. For beginning bills where the billing period is less than 10 days, the Customer Charge will be waived and the Energy Charge included in the next billing period.

Revised Date: January 1, 2015
