### **TID Announces Preseason Grower Meetings**

TURLOCK – TID has scheduled a series of pre-irrigation season meetings for its growers. Attendees will hear the latest information available about the current status of the watershed, irrigation season outlook, control of aquatic growth in the canal system and an overview of legislative and regulatory processes with the potential to impact TID's future water supply.

For convenience, two meetings will be held this year at the following times and locations:

***Monday, March 1st*** · 7:00 p.m. · Hughson  
Hughson Community Center · 2307 4th Street

***Wednesday, March 3rd*** · 7:00 p.m. · Turlock  
TID Boardroom · 333 East Canal Drive
