

WATER & POWER
Serving Central California since 1887

Irrigation Rate Schedule

2010

Water Allotment	\$26.00 per acre
Tier 2 - Water Above Allotment (up to 12")	\$15.00 per acre foot
Tier 3 - Water Above Tier 2	\$20.00 per acre foot
Minimum Charge: \$130.00 - 5 acres or less	

Payment of the annual water charge entitles irrigators to an allotment of water as determined by the Board of Directors each spring. The allotment, as well as Tier 2 and 3 water, vary from year to year depending upon carry over reservoir storage and anticipated spring runoff. Tier 2 and 3 water is not available in all years.
