Turlock Irrigation District
Community Sponsorship Program

Turlock Irrigation District is proud to be an integral part of the many communities it serves. TID is also committed to being a community leader working for betterment of the region. While the TID sponsorship budget is limited, each year TID gladly sponsors numerous events that benefit communities. Therefore, the District has developed the attached request form as a dual-purpose tool for interested organizations to submit their requests in writing and for TID to objectively analyze which organizations receive sponsorships, and at what amounts. TID will analyze each sponsorship request based on the “TID Sponsorship Guidelines” listed below, as well evaluating the request’s relevance to the District’s mission and goals.
