Residential Electric Vehicle Rebate Application

THE ROAD TO SAVINGS STARTS HERE.

TID is offering a rebate of $500 per vehicle on the purchase of a new or used zero-emission, plug-in battery electric vehicle. Customers enrolled in the CARES program are eligible for an additional $700 per vehicle. Hybrid vehicles do not qualify for this rebate.

To apply, fill out an Electric Vehicle Rebate Form and provide copies of the following:
See reverse for complete terms and conditions.
- Purchase or lease agreement from a retail automobile sales company for the qualifying electric vehicle
- Current DMV registration for the qualifying EV

This application requires the submittal of 1) the purchase / lease agreement and, 2) the California DMV vehicle registration form for the vehicle declared above. Applications received without the required documents will neither be processed nor entitle the applicant to be included in the first-come, first-served funding order of the rebate.
Turlock Irrigation District (TID) Residential Electric Vehicle Rebate Program (Program) is intended to encourage the purchase and use of qualifying electric vehicles within the boundaries of TID.

The Program may be modified, amended or terminated without prior notice, at the sole discretion of TID.

Completed applications are accepted on a first-come, first-served basis and are processed in the order received until funds are exhausted or the Program is terminated. The acceptance of an application by TID is not a guarantee of rebate funds.

The applicant must be an active customer of record (Customer) of TID, and must remain so throughout the entire rebate process.

The qualifying electric vehicle must:

a. Be purchased at a retail automobile sales company. Private party sales, transfers between parties, gifts, prizes, or any other method of owning a vehicle other than purchase from a retail automobile sales company do not qualify for the Program;

b. Be registered with the California Department of Motor Vehicles (DMV) at the address of the Customer within the TID electric service territory;

c. Be able to charge via plugging into an electrical outlet;

d. Be a Zero-Emission Vehicle-Battery Electric as date of purchase or lease;

e. Not be a hybrid, motorcycle or scooter;

The Customer need not be the DMV registered owner of the qualifying electric vehicle however, the registered owner must permanently reside at the address of the Customer.

Rebates cannot be assigned or transferred.

Completed applications must be received by TID no later than six (6) months from the date of purchase or lease in order to be eligible for the Program. Applications that are not complete, without a signature, or without all required documents will neither be processed nor entitle the Customer to be included in the first-come, first-served funding order of the rebate.

A maximum of two (2) Electric Vehicle rebates are allowed per residential customer account.

Rebate eligibility is determined at the time of application, based on the information received.

TID is not responsible for any items delayed or lost in the mail.

TID disclaims any and all liability for loss or damage which may arise as a result of the Customer’s participation in this rebate program.
