AGENDA

Turlock Irrigation District
Board Room
Main Office Building
333 East Canal Drive
Turlock, California

REGULAR MEETING
Tuesday, August 10, 2021
9:00 a.m.

A. CALL TO ORDER
Members of the Board of Directors and the public may participate in the meeting in-person or by utilizing Zoom’s webinar feature or through a phone number, both of which are provided below. Please see the attached Addendum with instructions on how to join the TID Board meeting via Zoom or phone, or review the precautionary protocols in place for the in-person meeting.

Members of the public will also have the opportunity to provide public comment via the webinar or phone features. If you wish to speak, click on the “Raise Hand” button via Zoom, or press *9 if using a phone, and wait until your name (or other identifying information) is called by the Board Secretary.

To join the meeting:
- Click here to join the video meeting
Or to join by phone, please dial (toll free) 669-900-9128 or 346-248-7799
Meeting ID: 969 4371 9502

B. PLEDGE OF ALLEGIANCE
C. MOTION APPROVING CONSENT CALENDAR
All matters listed hereunder will be acted upon by a single vote of the Board. There will be no individual discussion of these items unless a member of the Board or the public so requests, in which event the matter shall be removed from the Consent Calendar and considered as a separate agenda item.

1. Approval of minutes of the regular meeting of July 27, 2021.
5. Motion Canceling the Regular TID Board Meeting of August 17, 2021.

D. DISCUSSION OF ANY ACTION ITEM REMOVED FROM THE CONSENT CALENDAR

E. PUBLIC COMMENT PERIOD
Interested persons in the audience are welcome to introduce any topic within the District’s jurisdiction. Matters presented under this heading may be discussed, but no action will be taken by the Board at this meeting.

F. WEEKLY UPDATES

1. Electrical Service Update
   - Manjot Gill, AGM Electrical Engineering & Operations

2. Hydrology Update
   - Olivia Cramer, Utility Analyst-Hydrology

3. Irrigation Update
   - Mike Kavarian, Water Distribution Department Manager

G. REPORT

1. State Water Resources Control Board Curtailment Update
   - Art Godwin, Legal Counsel

2. Don Pedro Life Extension Project Update
   - Tim Payne, Chief Dam Safety Engineer
   - Dan Severson, AGM Power Supply

H. GENERAL MANAGER’S REPORT

I. BUSINESS OF THE BOARD

J. MOTION TO ADJOURN TO CLOSED SESSION

1. Conference with Legal Counsel – Anticipated Litigation
   California Government Code Section 54956.9(d)
   Anticipated Litigation – one potential case
   - Michael Cooke, Director of Water Resources and Regulatory Affairs
   - Art Godwin, Legal Counsel
   - Randy Fiorini, Consultant

K. REPORT OF ANY ACTION TAKEN IN CLOSED SESSION
L. MOTION TO ADJOURN

The next scheduled regular meeting is Tuesday, August 24, 2021 at 9:00 a.m.
The meeting of the Board of Directors of the Turlock Irrigation District was called to order at 9:00 a.m. in regular session on the 27th day of July 2021. Present were: Directors Rob Santos (President), Michael Frantz (Vice-President), Ron Macedo (Secretary) and Joe Alamo, General Manager Michelle Reimers and Executive Secretary to the Board Tami Wallenburg. Absent was: Director Charles Fernandes.

Board President Rob Santos read the following statement:
“Members of the public will have the opportunity to provide public input via the webinar or phone features. If you wish to speak, click on the “Raise Hand” button via Zoom, or press *9 if using a phone, and wait until your name (or other identifying information) is called by the Board Secretary.”

SALUTE TO THE FLAG

MOTION APPROVING CONSENT CALENDAR

Moved by Director Fernandes, seconded by Director Alamo, that the consent calendar consisting of the following be approved:

1. Approval of minutes of the regular meeting of July 13, 2020.
5. Motion to Cancel the TID Board Meeting of August 3, 2021.

All voted in favor with none opposed. The President declared the motion carried.

PUBLIC COMMENT PERIOD

Customer Joe Sallaberry commented on a fish barrier prototype he designed which he stated would be less costly than current plans by the District to protect fish along the Nielsen Drain. He also expressed concern and handed out copies of recent letters he sent to the Central Valley Flood Protection Board over their mandates to allow a 10-foot clearance on the farming side of all flood control levees. AGM Water Resources Tou Her stated that although he appreciated Mr. Sallaberry’s creativity on the prototype, the current project is very complex and staff chose to go another direction on the project as approval on an untested prototype would be needed by many multi-jurisdictional agencies including the Department of Fish and Wildlife and the Army Corp of
Engineers. Director Alamo encouraged staff to look into the approval process by the Department of Fish and Wildlife. Board President Rob Santos recommended Mr. Sallaberry meet with Mr. Her after the board meeting to discuss his concerns further.

**WEEKLY UPDATES**

Trading and Scheduling Department Manager Bill Bacca reviewed power operations for the month of June. The Balancing Authority Area daily estimated system peaks averaged 666 megawatts for the month. The CAISO day-ahead market selling price averaged at $65 MWh for the month of June, with the Hour-Ahead selling price averaging at $58 MWh. The EIM 5-Minute market selling price averaged at $42 MWh. The total monthly EIM Transfer for June was 17,477 MWh imported and 15,586 MWh exported. Total Market starts for Almond 2 Power Plant (A2PP) was 49, and Walnut Energy Center (WEC) 1 and 2 with two starts. The load was met with Thermal at 52.6 percent, TID Hydro at 11 percent, ACS Specified at 2 percent, Wind and Solar at 5.3 percent and Wind Exchange at 14.2 percent. Hydro generated 31,300 MWh for the month with Thermal at 173,100 MWh. The Tuolumne Wind Project (TWP) generated 34,478 MWh’s during the month of June at the Willis Substation, averaging at 35 percent of capacity. Natural gas prices at Pacific Gas & Electric Company’s Citygate averaged out at $4.40/mmBTU. Thermal generation and implied heat rates for June show Walnut Energy Center at 131,902 MWh and Almond 2 Power Plant at 29,266 MWh. Electric operations for this period show Walnut Energy Center ran in full plant and half plant mode at various times; WEC Unit 1 was forced out of service on May 31 and returned on June 1; Almond ran for 28 days for economics and operations; Don Pedro Unit 4 was out of service and expected to return on July 30; TWP had two outages and one de-rate; EIM was very active and Rosamond Solar was reduced to 85 percent capacity. Director Frantz asked for clarification on ISO transfers to which Mr. Bacca and AGM Power Supply Dan Severson responded.

Utility Analyst/Hydrology Olivia Cramer reported on current water conditions. Accumulated precipitation measured at the three mountain stations in the Tuolumne River watershed from September 1, 2020 to present total 18.22 inches, or 50 percent of normal to date (Note: The precipitation water year begins on September 1 each year). Forecasted precipitation for the 8-day forecast on the US model is showing more activity in the eastern Sierra’s with most being thunderstorm activity. The 9-day forecast is showing higher than normal temperatures for this time of year topping out at 105 degrees. Lows are averaging in the high 60’s, slightly above normal for this time of year. San Francisco reservoirs contain 549,192 acre-feet and the Water Bank is at 321,173 acre-feet of credit. CCSF releases for the past 7-days averaged at 929 cfs with 322 cfs in diversions. Don Pedro contains 1,170,697 acre-feet and is currently at 749 ft. elevation. Average combined releases were 2,196 cubic feet per second with 1,373 cfs to TID canals, 728 cfs to Modesto Irrigation District and the remaining 95 cfs going to the Tuolumne River. Computed natural flow to date for the current water year is 603,994 af, or 32.5 percent of average. Turlock Lake contains 18,866 acre-feet of water. Ms. Cramer noted the updated weekly watershed report shows Don Pedro elevation decreased by 2.7 ft. when compared to the previous week due to recent CCSF activity.

Water Distribution Department Manager Mike Kavarian presented irrigation activity for the period of July 19-25. Daily releases for Turlock Lake averaged at 1,218 cfs, or 166 cfs lower than projected. For this same period, 2,453 orders were received, with an additional 563 orders the previous day. Flows ranged between 1,320 to 1,180 cfs. Mr. Kavarian also noted spills are at 4 percent.
MOTION APPROVING TREASURER’S REPORT ON TURLOCK IRRIGATION DISTRICT’S INVESTMENT PORTFOLIO AND SUMMARY OF INVESTMENT ACTIVITY

Moved by Director Frantz, seconded by Director Macedo, that the Investment Portfolio dated June 30, 2021 which was prepared by Public Financial Management, Inc. for the Turlock Irrigation District (District) and reviewed by the Board of Directors be hereby accepted, and that the Board of Directors hereby acknowledges the opinion of Treasurer Brian Stubbert, confirming the Investment Portfolio is in compliance with the District’s Investment Policy and verifying the District has the ability to meet budgeted expenditures for the next six months.

All voted in favor with none opposed (Director Fernandes was absent). The President declared the motion carried.

TURLOCK SUBBASINS GROUNDWATER SUSTAINABILITY PLAN - REVIEW OF CHAPTERS 1, 2 AND 4

Director of Water Resources and Regulatory Affairs Michael Cooke reported on the status of the Groundwater Sustainability Plan (GSP) for the Turlock Subbasins and review of Chapters 1, 2 and 4. The coordinated GSP is being developed by both the West (WTSGSA) and East (ETSGSA) Turlock Groundwater Sustainability Agencies. The WTSGSA includes 327 sq. miles using 60 percent of the Plan Area, and the ETSGSA contains 217 sq. miles, or 40 percent of the Plan Area. He stated that irrigated agriculture is the largest beneficial use of groundwater, covering approximately 70 percent of the subbasin. Surface water and infrastructure data within the Plan shows the Tuolumne River provides approximately 80 percent of the agricultural water supply in the western subbasin with the District utilizing 240 miles of canals downstream of the La Grange Diversion Dam. Drinking water supply data indicates the WTSGSA member agencies provide most of the public drinking water supply for cities and urban communities supplemented by various additional small community water systems. Protecting rural domestic wells is important to the Department of Water Resources with current data showing more than 850 domestic wells in the subbasin (current status unknown) with 165 of those failing during the 2015 drought due to declining water levels. Approximately 386 new wells have been drilled since 2015 in the Plan Area. Mr. Cooke then reviewed recharge potential for specific areas within the Plan with the best areas near northern and southern basin boundaries and along internal drainage-ways. He then reviewed principal aquifers and hydrogeologic framework for both subbasins, including 2015 groundwater conditions showing a historical overdraft and declining water levels in east-central subbasin noting the expansion of cone depression around historical pumping centers. Mr. Cooke ended his presentation with an overview of the revised GSP schedule and noted comments on the initial chapters will be accepted until September 1st through the https://turlockgroundwater.org/gsp website, mail or email. Board members asked several questions regarding fresh water and salinity base levels, and the odds of aquifer levels ever recovering to which Mr. Cooke responded there is a misconception of there being plenty of groundwater but as long as it continues to be used in an unsustainable manner is why the Sustainable Groundwater Management Act (SGMA) was needed as groundwater sustainability plans are important to recovery efforts.
GENERAL MANAGER’S UPDATE

General Manager Michelle Reimers reported that the District was selected by CS Week for having the Best Customer Information System with congratulations going to all the team members who participated. She also reported on a drought emergency regulation issued on Friday by the State Water Resources Control Board. A workshop is being held today with comments from the tributaries due by Friday. Ms. Reimer noted the regulation will have little impact this year but could be significant if it continues into 2022. Staff is very concerned and will keep the board updated on this matter.

BUSINESS OF THE BOARD

Director Frantz reported on his attendance with various staff at the joint Investment and Power Supply Risk Committee meeting the previous week. Director Alamo also noted his attendance at the same committee meeting.

MOTION TO ADJOURN TO CLOSED SESSION

Moved by Director Macedo, seconded by Director Alamo, that the regular meeting of the Board of Directors be adjourned to closed session:

1. Conference with Legal Counsel – Anticipated Litigation
   California Government Code Section 54956.9(d)(2)
   Anticipated litigation: one potential case
   - Michael Clipper, Risk & Investment Analyst
   - Tou Her, AGM Water Resources
   - Sara Lima, Assistant General Counsel

2. Conference with Legal Counsel – Anticipated Litigation
   California Government Code Section 54956.9(d)
   Anticipated Litigation – one potential case
   - Michael Cooke, Director of Water Resources and Regulatory Affairs
   - Tou Her, AGM Water Resources
   - Valerie Kincaid, Legal Counsel

All voted in favor with none opposed. The President declared the motion carried.

REPORT OF ANY ACTION TAKEN IN CLOSED SESSION

The President announced the following action was taken in closed session:

Moved by Director Frantz, seconded by Director Macedo, that the claim of Rodney Voumard was approved in the amount of $10,972.82.

MOTION TO ADJOURN

Hearing no further business, Director Frantz motioned, seconded by Director Alamo, that the regular meeting of the Board of Directors be adjourned.
All voted in favor with none opposed (Director Fernandes was absent). The President declared the motion carried.

MOTION CANCELING THE TURLOCK IRRIGATION DISTRICT
REGULAR BOARD MEETING OF AUGUST 17, 2021

Moved by Director , seconded by Director , that the regular meeting of the Board of Directors of the Turlock Irrigation District scheduled for August 17, 2021, be canceled.

The President declared the motion ____.

I, Tami Wallenburg, Executive Secretary to the Board of Directors of the TURLOCK IRRIGATION DISTRICT, do hereby CERTIFY that the foregoing is a full, true and correct copy of a motion duly adopted at a regular meeting of said Board of Directors held the 10th day of August, 2021.
Instructions for Participating in TID Board Meeting via Zoom Webinar, by Phone or In-Person

Using your desktop/laptop/iPad or tablet:

*If you have not used Zoom prior to this meeting, you may want to give yourself additional time to allow the program to install before joining the meeting.*

1. To join the webinar, click the link published in the Agenda for the current meeting about five minutes before webinar is scheduled to begin.
2. Follow the on-screen prompts/instructions to install or launch the Zoom application.
3. If prompted, enter the meeting number published in the Agenda.
4. All public attendees will enter the meeting muted.
5. If you wish to speak under the Public Comment Period, click on the “Raise Hand” button to request to speak.
   a. Wait until your name or other identifying information is called by the Board Secretary.

Using your phone:

1. To join the meeting by phone, call the number published in the Agenda for the current meeting.
2. Enter the meeting number published in the Agenda, then press the # symbol.
3. All public attendees will enter the meeting muted.
4. If you wish to speak under the Public Comment Period, press *9 on your phone to “Raise Hand” to request to speak.
   a. Wait until the last four digits of your phone number is called by the Board Secretary.

**If you have problems joining the webinar, please contact TID’s Information Technology Support Staff at 209.883.8411**

In-Person:

Masks are required for any visitor to the District, including those attending Board Meetings, who is NOT fully vaccinated. Any visitors who self-attest to being fully vaccinated are not required to wear a mask.

Do not attend the meeting if you are not well or are experiencing any of the following symptoms:

- Fever (100.4°F or higher) or chills
- Sore throat
- Cough
- Loss of taste/smell
- Diarrhea
- Nausea or vomiting
- Runny or stuffy nose
- Body or muscle aches
- Shortness of breath/Difficulty breathing
