MEMORANDUM

TO: Commissioners of the Authority

DATE: November 18, 2020

PREPARED BY: Brian Stubbert

RE: WECA Financing Reimbursement Resolution

Action Requested
Consider approval of a Resolution during the meeting of December 1, 2020.

Discussion
On June 14, 1993 the Department of Treasury released Reimbursement Regulations clarifying when proceeds of taxable or tax-exempt bond issue used to reimburse expenditures made by an issuer prior to the date of issue of the bonds will be treated as expended. These Regulations are generally effective for all bonds issued after June 30, 1993. To satisfy the Regulations, WECA must satisfy three general requirements.

First, WECA must declare a reasonable official intent to reimburse the expenditure with proceeds of the borrowing. Second, the allocation of bond proceeds to reimburse an expenditure must take place generally within the latter of eighteen months after the expenditure was originally paid or eighteen months after the facility financed was placed in service. Third, the reimbursed expenditures must be a capital expenditure for Federal tax purposes or an extraordinary working capital item.

Attached is a resolution declaring WECA’s official intent to finance the projects. The projects are listed with an estimated 2019 cost. The resolution does not bind WECA to make an expenditure incur any debt or proceed with the projects.

Recommendation
It is recommended that the Commission adopt the attached resolution.
RESOLUTION NO. 2020 -

RESOLUTION OF THE COMMISSION OF THE WALNUT ENERGY CENTER AUTHORITY MAKING CERTAIN DETERMINATIONS WITH RESPECT TO REIMBURSEMENT OF ADVANCES AND PROPOSED ADVANCES FOR CAPITAL PROJECTS FROM WECA’S GENERAL AND/OR CAPITAL RESERVES FROM THE PROCEEDS OF TAXABLE OR TAX-EXEMPT DEBT

WHEREAS, Walnut Energy Center Authority (“WECA”) has already or intends to build, construct, purchase, and improve those certain projects more fully described in attached Exhibit A (the “Projects”); and

WHEREAS, WECA has paid or expects to pay certain capital expenditures in connection with the Projects by the issuance of taxable or tax-exempt indebtedness to be used to finance such expenditures; and

WHEREAS, WECA is authorized to incur or issue debt obligations to finance costs of the Project; and

WHEREAS, WECA anticipates it will issue debt obligations for the purpose of financing costs of the Projects on a long-term basis; and

WHEREAS, Section 1.150-2 of the Treasury Regulations requires WECA to declare its reasonable official intent to reimburse prior expenditures for the Projects with proceeds of a taxable or tax-exempt borrowing.

NOW, THEREFORE BE IT HEREBY RESOLVED by the Commission of the Walnut Energy Center Authority as follows:

Section 1. The Commissioners of WECA finds and determines that the foregoing recitals are true and correct.

Section 2. This Resolution is adopted by the Commissioners of WECA solely for purposes of establishing compliance with the requirements of Section 1.150-2 of the Treasury Regulations. This Resolution does not bind WECA to make any expenditures, incur any indebtedness, or proceed with the Projects.

Section 3. The Commissioners expects WECA will pay certain capital expenditures in connection with the Projects prior to the issuance of taxable or tax-exempt indebtedness for the Projects. The reimbursement of such project expenditures is consistent with WECA’s established budgetary and financial circumstances. As of the date hereof, the Commissioners of WECA reasonably expects that such project expenditures shall be paid from WECA’s Reserves. The Commissioners of WECA does not expect that moneys in WECA’s General or Capital Reserves temporarily used to pay such project expenditures will be permanently available for the Projects. Other than proceeds of taxable or tax-exempt indebtedness to be issued for the Projects, there are no funds or sources of moneys that have
been, or reasonably are expected to be, allocated, reserved, or otherwise made available on a long-term basis pursuant to WECA’s budget to pay costs of the Projects.

Section 4. Project expenditures that are to be reimbursed to WECA shall not have been paid from proceeds of any other tax-exempt indebtedness.

Section 5. The Commissioners of WECA hereby declares WECA’s official intent to use proceeds of taxable or tax-exempt indebtedness to reimburse itself for future project expenditures. The Board of Directors of WECA reasonably expects that such indebtedness will be secured by and payable from revenues of the Projects.

Section 6. This Resolution shall be continuously available for inspection by the general public during normal business hours at the offices of WECA located at 333 East Canal Drive, Turlock, California, commencing on December 1, 2020.

Section 7. This Resolution shall take effect from and after its adoption.

Moved by Commissioner , seconded by Commissioner , that the foregoing resolution be adopted.

Upon roll call the following vote was had:
