CUSTOMER AGREEMENT

I agree to submit the appropriate rebate form(s) and this signed application to Turlock Irrigation District (TID) for pre-approval. Once approved, as a qualified TID Customer, I certify that I purchased and installed the indicated energy savings products for use in my business and not for resale. Upon project completion, I will submit the rebate form(s) and rebate application along with the paid itemized invoice(s) for the equipment installed. I agree to verification inspections by TID representatives of both the sales transaction and product installation. I certify that the information on the rebate form(s) is true and correct and that any insufficient or incorrect invoices will delay the release of the rebate check. I have not received any other rebates for the equipment indicated on the rebate form(s). TID reserves the right to verify project savings through independent measurement and evaluation. Prescriptive rebates are limited to 100% of the project cost.

I have read and understand the program rules. I have read and agree to the terms and conditions stated in this rebate.

Customer Signature Date

Customer Printed Name

Applications received without the required documents will neither be processed nor entitle the applicant to be included in the first-come, first-served funding order of the rebate.

## COMMERCIAL HVAC REBATE

### UNITARY SPLIT SYSTEM & SINGLE PACKAGE HP < 5 TONS

Config	SEER	HSPF	Rebate	\$ per
Split	15	8.5	\$500	Unit
Packaged	15	8.2	\$500	Unit

Unitary Air-Conditioner is one or more factory-made assemblies ordinarily including an evaporator or cooling coil(s), compressor(s), and condenser(s) and may include a heating function. An Air-Source Unitary Heat Pump ordinarily includes these same components plus a reverse mode for heating. When these components are integrated into one cabinet, they are single packaged units; when provided in separate assemblies and designed to be used together, they are split systems.

### UNITARY SPLIT SYSTEM & SINGLE PACKAGE AC < 5 TONS

Config	SEER2	EER2	Rebate	\$ per
Split	15	12.5	\$250	Unit
Packaged	15	12	\$250	Unit
Split	16	13	\$500	Unit
Packaged	16	12	\$500	Unit

### UNITARY SPLIT SYSTEM & SINGLE PACKAGE AC & HP 65,000-760,000 BTU/H (> 5 TONS)

Config	AC		HEAT PUMP (HP)		COP	Rebate	\$ per
	EER	IEER	EER	IEER			
6 to 11	12.2	15.8	12	15.1	4.4	\$120	Ton
11.25 to 19	12.2	15.2	11.6	14.5	4.3	\$120	Ton
20+	11	14.2	10.5	13.5	4.3	\$120	Ton

These units are factory-made Commercial and Industrial Unitary Air-Conditioning and Heat Pump Equipment, as defined by AHRI Standard 340/360. This standard applies only to electrically operated, vapor compression refrigeration systems.

### ENERGY STAR® SMART THERMOSTAT

	Rebate	\$ per
Smart Thermostat	\$50	Unit

Thermostats must qualify as an ENERGY STAR® Smart Thermostat. See <https://www.energystar.gov/productfinder/product/certified-connected-thermostats/results/> for a list of qualified thermostats. Smart thermostat must be new and replace existing manual or programmable thermostat on a central heating and cooling system.

## TERMS & CONDITIONS

Detailed and dated copies of all invoices must be submitted along with pertinent equipment data and cut sheets before issuance of rebate.

Rebates are provided up to the limit of the rebate or the total cost of purchase and installation, whichever is less.

The Program may be modified, amended or terminated without prior notice, at the sole discretion of TID.

Completed applications are accepted on a first-come, first-served basis and are processed in the order received until the funds are exhausted or the Program is terminated. The acceptance of an application by TID is not a guarantee of rebate funds.

The applicant must be an active customer of record (Customer) of TID, and must remain so throughout the entire rebate process.

The qualified HVAC unit must:

- Be new (not refurbished);
- Be AHRI certified;
- Be installed at the address in the application.

Rebates cannot be assigned or transferred.

Completed applications must be received by TID no later than six (6) months from the purchase date of the HVAC unit(s) in order to be eligible for the program. Applications that are not complete, without a signature, or without all required documents will neither be processed nor entitle the applicant to be included in the first-come, first-served funding order of the rebate.

An inspection of the installed HVAC unit conducted by a TID employee or authorized representative must be completed prior to the funding of the rebate.

TID is not responsible for any items delayed or lost in the mail.

*TID disclaims any and all liability for loss or damage which may arise as a result of the customer's participation in this rebate program.*
