Mailing Address

City / State / Zip

Federal Taxpayer ID #

Attach payment authorization on company letterhead if check is to be made payable to a third party.

CUSTOMER AGREEMENT:

I agree to submit the appropriate rebate form(s) and this signed application to Turlock Irrigation District (TID) for pre-approval. Once approved, as a qualified TID Customer, I certify that I purchased and installed the indicated energy savings products for use in my business and not for resale. Upon project completion, I will submit the rebate form(s) and rebate application along with the paid itemized invoice(s) for the equipment installed. I agree to verification inspections by TID representatives of both the sales transaction and product installation. I certify that the information on the rebate form(s) is true and correct and that any insufficient or incorrect invoices will delay the release of the rebate check. I have not received any other rebates for the equipment indicated on the rebate form(s). TID reserves the right to verify project savings through independent measurement and evaluation.

Prescriptive rebates are limited to 100% of the project cost/Custom rebates are limited to 50% of the project cost.

I have read and understand the program rules. I have read and agree to the terms and conditions stated in this rebate.

## COMMERCIAL REBATE

### QUALIFICATIONS

Qualifying equipment must be installed and/or operating in facilities served by TID.

All proposed rebates must be pre-approved by TID prior to purchase and installation of any qualifying equipment.

A determination will be made at pre-approval regarding the necessity of pre and post inspections.

Energy efficiency levels of retrofit projects or new construction projects must exceed city code or development requirements as well as all federal and state government-mandated efficiency standards.

Replacement equipment must operate for a minimum of 5 years.

Equipment purchased for inventory or resale does not qualify.

Applications must be completed and submitted prior to scheduling of a post-inspection.

Detailed and dated copies of all invoices must be submitted along with pertinent equipment data and cut sheets before issuance of rebate.

### TERMS & CONDITIONS

Rebates are provided up to the limit of the rebate or the total cost of purchase and installation, whichever is less.

The Program may be modified, amended or terminated without prior notice, at the sole discretion of TID.

Completed applications are accepted on a first-come, first-served basis and are processed in the order received until the funds are exhausted or the Program is terminated. The acceptance of an application by TID is not a guarantee of rebate funds.

The applicant must be an active customer of record (Customer) of TID, and must remain so throughout the entire rebate process.

Rebates cannot be assigned or transferred.

Completed applications must be received by TID no later than six (6) months from the purchase date of the equipment in order to be eligible for the program. Applications that are not complete, without a signature, or without all required documents will neither be processed nor entitle the applicant to be included in the first-come, first-served funding order of the rebate.

TID is not responsible for any items delayed or lost in the mail.

TID disclaims any and all liability for loss or damage which may arise as a result of the customer's participation in this rebate program.
