## TERMS & CONDITIONS

In addition to supporting documents required, all applications are required to include a copy of the receipt showing the purchase of the item(s) you are claiming a rebate for.

New unit or product must be installed and operating in a residence in the TID Service Area.

Rebate application must be received within six (6) months of product purchase date.

Programs are subject to change or termination without prior notice. Please visit [TID.org/rebates](http://TID.org/rebates) for details on current programs. You may also call (209) 883-8432 to verify your efficiency measure qualifies for a rebate BEFORE purchase or installation.

Keep a copy of all documents submitted; documents will not be returned.

Please allow four to six weeks for your application to be processed.

Discrepancies can invalidate the rebate application.

Approval of rebate is at the sole discretion of TID.

Rebates are subject to inspection and verification by TID.

All rebates are subject to additional rebate specific requirements.

TID is not responsible for any items delayed or lost in the mail.

All applications must include a receipt/proof of purchase in

addition to the supporting documents required listed per program.

*TID disclaims any and all liability for loss or damage which may arise as a result of the applicant's participation in this program and makes no expressed or implied representation or warranty that the installation of the product will result in a reduction of the applicant's electric utility bill.*
