Customer Printed Name

Applications received without the required documents will neither be processed nor entitle the applicant to be included in the first-come, first-served funding order of the rebate.

RESIDENTIAL HEATING & COOLING REBATE

CENTRAL AIR CONDITIONER \$250

Requirements:

New unit must meet minimum SEER ratings:

- Packaged - 15 SEER or higher
- Split System - 15 SEER2 or higher

Rebate for replacing existing home A/C or adding new unit.

Cooling capacity <65,000 BTUs (5.4 ton).

Split system requires matching evaporative coil.

Split systems using water/evaporative cooled condensers may be eligible provided the air conditioning system has a current (not archived) AHRI reference number and efficiency rating.

Rooftop installs must be code compliant for inspection access.

Limitations:

Limit (2) per household, per useful life (18 years).

Additional Supporting Documents Required:

Current AHRI Certificate of Product Ratings.

HIGH EFFICIENCY CENTRAL A/C \$500

Requirements:

New unit must meet minimum SEER ratings:

- Packaged - 16 SEER or higher
- Split System - 16 SEER2 or higher

Rebate for replacing existing home A/C or adding new unit.

Cooling capacity <65,000 BTUs (5.4 ton).

Split system requires matching evaporative coil.

Split systems using water/evaporative cooled condensers may be eligible provided the air conditioning system has a current (not archived) AHRI reference number and efficiency rating.

Rooftop installs must be code compliant for inspection access.

Limitations:

Limit (2) per household, per useful life (18 years).

Additional Supporting Documents Required:

Current AHRI Certificate of Product Ratings.

TERMS & CONDITIONS

All applications must include a receipt/ proof of purchase in addition to the Supporting Documents Required listed per program.

New unit or product must be installed and operating in a residence in the TID Service Area.

Rebate application must be received within six (6) months of product purchase date.

Programs are subject to change or termination without prior notice. Please visit www.TID.org/rebates for details on current programs. You may also call (209) 883-8432 to verify your efficiency measure qualifies for a rebate BEFORE purchase or installation.

Keep a copy of all documents submitted; documents will not be returned.

Please allow four to six weeks for your application to be processed.

Discrepancies can invalidate the rebate application.

Approval of rebate is at the sole discretion of TID.

Rebates are subject to inspection and verification by TID.

All rebates are subject to additional rebate specific requirements.

TID is not responsible for any items delayed or lost in the mail.

TID disclaims any and all liability for loss or damage which may arise as a result of the applicant's participation in this program and makes no expressed or implied representation or warranty that the installation of the product will result in a reduction of the applicant's electric utility bill.
