STEP BY STEP GUIDE

- Purchase a deciduous tree between March 1 May 31, 2024 †
- Plant tree within 15 feet, on south, east, or west side of residence †
- 3 Apply for the rebate!†

TERMS AND CONDITIONS

All rebates are subject to inspection and verification.

Rebates and terms described herein are subject to change and availability of funds.

Rebate application must be accurately and fully completed before a rebate is issued.

Rebate application must be submitted within six (6) months of shade tree purchase.

Call the Underground Service at (800) 227-2600 before digging to plant your tree.

† Deciduous trees shed their colorful leaves in the fall and sprout new green leaves in the spring. (Evergreens are not eligible).

Trees must be purchased from a retail store between March 1 - May 31, 2024.

Limit 3 trees per customer account.

Trees must be planted at your electric service address, on your property and within 15 feet of the building foundation. (Program excludes planting on the North side of the home).

The rebate is up to \$50 per tree, and can not exceed the purchase price of the tree.

Purchase price does not include sales tax, installation, delivery or associated fees.
