

TID TECHNICAL SKILLS SERIES - CONSTRUCTION AND MAINTENANCE

TID is offering an opportunity for recent high school graduates and those interested in starting a career in construction to receive hands-on training with TID Construction & Maintenance staff. Candidates will learn transferable skills through both classroom and hands-on trainings.

ELIGIBILITY:

- 18 years or older
- Driver's license – Class C
- HS Diploma or GED
- Ability to work in US
- Drug free

THE IDEAL CANDIDATE FOR THIS PROGRAM IS:

- Interested in a career in construction or looking to establish baseline skills in a variety of construction-related areas
- Willing to learn
- Positive attitude
- Committed to attending all sessions

TOPICS COVERED THROUGHOUT THE PROGRAM:

CONSTRUCTION EQUIPMENT

- Equipment safety, Class A overview, tie down equipment and loads, dirt compaction, equipment operations and maintenance

FACILITIES

- Plumbing and basic electrical repair

MECHANICS

- Shop safety, oil changes, brakes and bit inspection

LINE DEPARTMENT

- Introduction to trade tools, maintaining power line from transmission to distribution

PIPELINE

- Confined space training, pipeline troubleshooting and repair, irrigation gate maintenance and repair

WELDING & FABRICATION

- Tool safety, welding basics and introduction to fabrication

WATER DISTRIBUTION DEPARTMENT

- Introduction to grower tools, maintaining the water from the canal to growers' fields

Classes are held every Tuesday evening, June 25 - July 30, 2024 - 5 p.m. - 9 p.m.

If interested, please complete and submit the program application online at tid.org/skills-series-application. If you are unable to complete the application online, please contact Chris Hardin at cfhardin@tid.org.

Turlock Irrigation District does not imply or guarantee employment upon program completion.
