

April 30, 2025

Notice to All Suppliers of the Turlock Irrigation District (TID)

We are pleased to announce that the Turlock Irrigation District (TID) will be transitioning to a new Oracle Enterprise Resource Planning (ERP) system, effective June 2, 2025. This upgrade will enhance the way TID manages purchase orders and processes invoice payments.

To support a smooth transition, we kindly request that all outstanding invoices be submitted via email to accountspayable@tid.org as soon as possible.

Please note the following important dates:

- **Final payment processing in the current system:** May 27, 2025
- **Deadline to submit invoices for processing in the current system:** Noon on **Wednesday, May 21, 2025**
- **Invoices received after this deadline** will be processed **on or after June 10, 2025**, under the new system

Please be advised that there may be some temporary delays in payment processing during this transition period.

The new Oracle ERP system will include a supplier portal, allowing vendors to create an account and manage transactions more efficiently. Existing suppliers will be able to request login credentials beginning **June 2, 2025**, once the system is live.

For any questions or concerns:

- **Purchasing-related inquiries:** Contact Alison Bryson at purchasing@tid.org
- **Accounts Payable inquiries:** Contact Kanitha Goldsmith at accountspayable@tid.org

We appreciate your cooperation and understanding as we work to improve our systems and services.

Sincerely,

Alison K. Bryson
Materials Management Department Manager
